

INFORMATION TECHNOLOGY, MINOR

The IT minor contains courses which complement nearly any degree. Students who desire technology courses to enhance their appeal to employers should consider an IT minor. The IT minor is open to students with majors outside of the Computer Science Department.

Standards

All CST courses must be passed with a grade of C- or higher.

Requirements

Five courses in CST are required. At least three of these must be taken at Roosevelt.

All CST courses must be passed with a grade of C- or higher. Note: Some CST courses have mathematics prerequisites.
