

# MUSIC PERFORMANCE – STRING/WIND/BRASS INSTRUMENTS, HARP, AND PERCUSSION, MM

The purpose of the Orchestral Instrument Performance Programs at CCPA is to prepare students for careers as solo, chamber, and ensemble performers and routinize in students the habits consistent with success in the professional environment. The graduate program’s objectives are to:

- develop and refine technical and musical skills with study and performance of challenging and advanced repertory;
- provide ongoing ensemble performing experiences, with higher expectations for leadership in collaborative musical situations;
- prepare students for the rigorous demands of the music profession by teaching the discipline and self-motivation necessary to achieve excellence;
- introduce students to the traditions, operations, practices, and opportunities of the professional symphony orchestra;
- provide opportunities to investigate topics and repertoires in advanced coursework.

Development of repertory and technique is assessed at juries and at the recital presented in the fourth semester. The recital must include 60 minutes of music; the program is at the discretion of the major teacher in consultation with the area program head where applicable. Jury and recital requirements are published in the Music Conservatory Student Handbook (<https://www.roosevelt.edu/~media/Files/pdfs/college-ccpa/MUSIC-C-HANDBOOK.ashx?la=en>).

## Admission Requirements
