

INFORMATION TECHNOLOGY, BA/MS CYBER SECURITY AND INFORMATION ASSURANCE ACCELERATED PROGRAM

To enable high-achieving and motivated students to earn a bachelor degree in Information Technology and a graduate degree in Cyber Security & Information Assurance in five years, we offer a combined accelerated program. Students in the accelerated program can start to take graduate courses in the senior year and finish their undergraduate degree in Information Technology and graduate degree in Cyber Security & Information Assurance in five years.

Requirements page:

- Major in Information Technology (<http://catalog.roosevelt.edu/undergraduate/arts-sciences/data-analytics-bs/>)
- Completion of 60 credit hours of undergraduate course work
- Have and maintain a minimum grade point average of 3.0
- Obtain permission from the Cyber Security & Information Assurance (CSIA) director to take the required CSIA courses as an undergraduate.
- Upon completion of the Information Technology BA, apply to the MS in Cyber Security & Information Assurance program under the normal admission process (<http://catalog.roosevelt.edu/graduate/admission/>).

The student will take the following three MS in Cyber Security & Information Assurance graduate courses as part of the Information Technology BA. All of the courses will count toward the MS in Cyber Security & Information Assurance degree once the student is admitted to the MS in Cyber Security & Information Assurance program.

Code	Title	Credit Hours
CSIA 411	CYBER ETHICS, PRIVACY, & LEGAL	3
CSIA 451	NETWORKS SECURITY	3
CSIA 438	SECURE SOFTWARE ENGINEERING	3

Your degree map is a general guide suggesting courses to complete each term on the academic pathway to your degree. It is based on the most current scheduling information from your academic program. Your program's degree map is reviewed annually and updated as schedules change (although you retain the same course requirements as long as you are continuously enrolled in your degree program).

Always work closely with your academic advisor to understand curriculum requirements and scheduling, as each student's academic plan can look slightly different.

Year 1			
Fall	Credit Hours	Spring	Credit Hours
ENG 101		3 ENG 102	3
FYS 101		1 Ideas of Social Justice	3
CST 100 or 101		3 CST 150	4
