MINORS

Undergraduate students may choose one or more secondary areas of specialization, called minors, along with their majors. Minors typically require between 12 and 18 credit hours (four to six classes). Students majoring in one program often elect to complete a minor in another program and even in another college. Students should consult with their academic advisor to determine if a minor fits their academic plan.

- Actuarial Science, Minor (http://catalog.roosevelt.edu/undergraduate/arts-sciences/minor/actuarial-science-minor/)
- African American Studies, Minor (http://catalog.roosevelt.edu/undergraduate/arts-sciences/minor/african-american-studies-minor/)
