

ACCELERATED DEGREES: BACHELORS TO MASTERS

Accelerated programs allow students to complete an undergraduate and graduate degree in 5 years, saving money and time. Students enroll in a specified set of 3 graduate courses in their senior year to count for both the undergraduate and graduate degree requirements. The remaining graduate courses can be completed in one calendar year. NOTE: Some graduate programs, in and of themselves, can be completed in one calendar year. These are not considered part of the accelerated programs.

Eligibility: The majority of students are eligible to apply for an accelerated program *after* completing 75 credit hours and *before* completing 90 credit hours. The ideal time to apply is at the end of 1st-semester junior year in time to register for senior year courses in the 2nd semester of junior year. Please consult your advisor for final eligibility.

Process: Students meet with their advisor and the respective graduate program director. If admitted to the accelerated program, the student will register for the 3 graduate courses and formally apply to the graduate program.
