

HUMAN RESOURCE MANAGEMENT, BSBA

The objective of the Human Resource Management BSBA program is for the student to gain a full understanding of the human resource function, including recruitment, selection, placement, training, and career development; employee and labor relations; performance measurement; and resource planning. Students will learn how legal issues, human behavior, labor relations, and diversity impact modern organization.

Other courses expand on substantive areas that are briefly covered in the introductory Human Resource Management course. Psychological and sociological principles, statistical techniques, and practical business economics are blended to produce effective knowledge and skill for Human Resource Management specialists.

Other departments in the university, such as Economics and Psychology, offer courses that enable students in Human Resource Management to enhance their study of the employer-employee relationship. There is no substitute for experience in dealing with people in a work situation, and students are advised to acquire such experience through part-time work or internships.

Requirements

Six courses (18 credit hours) are required for the Human Resource Management major. MGMT 358 ORGANIZATIONAL BEHAVIOR, MGMT 300 OPERATIONS MANAGEMENT, and MGMT 380 BUSINESS POLICY AND STRATEGY cannot be used to fulfill major requirements.

Courses must be completed with grades of C- or higher for the HRM major, with an average of at least 2.0.

For all students, required business classes such as FIN 311 PRINCIPLES OF FINANCE and MGMT 300 OPERATIONS MANAGEMENT are mathematically based. In order to complete the degree on a timely basis, students are required to take mathematical requirements, MATH 110 QUANTITATIVE LITERACY, ECON 234 ELEMENTARY STATISTICS, and any developmental courses required by the RUA) in the first semester and in each following semester until these requirements are completed.

Business requirements Standards

All Business courses taken by Business majors and minors must be satisfied with a grade of C- or better. A 300-level business elective is substituted for the international perspective course if an international course is in the major. MGMT 380 BUSINESS POLICY AND STRATEGY must be taken at Roosevelt and passed with a grade of C- or higher.

Your degree map is a general guide suggesting courses to complete each term on the academic pathway to your degree. It is based on the most current scheduling information from your academic program. Your program's degree map is reviewed annually and updated as schedules change (although you retain the same course requirements as long as you are continuously enrolled in your degree program).

Always work closely with your academic advisor to understand curriculum requirements and scheduling, as each student's academic plan can look slightly different.
