

INTEGRATION CENTER (ICP)

ICP 222 - EXPER LEARN PORT

This course allows students to demonstrate through the construction of a portfolio of prior college-level learning outside of the classroom. Students will also participate in incremental writing and presentation assignments to showcase the impact of prior learning on career-related goals and credentials within a discipline. Course can be repeated up to 12 hours.

Credits: 3

ICP 250 - ICENTER PROJECT

Students manage and execute a project in a true consultant role for external clients. Projects may involve all phases of the business cycle from planning to oversight to assessment. Projects must meet the criteria established by the ICenter and appropriate dean(s). Students work under the guidance of a supervising faculty member. Course can be repeated up to 12 hours.

Credits: 3

ICP 252 - EAGLE SCHOLAR IC

Eagle Scholars are selected through an application and interview process and enrolled in this course to create sustainable programs that positively impact incoming freshman. Specific outcomes of this course include planned events for freshman, a freshman mentoring program and the development of student success sessions for orientation. Course can be repeated up to 8 hours.

Credits: 1.5

ICP 330 - DESIGN ENTREPR

This course explores the methodology of entrepreneurship and the design thinking process and applies it to a hands-on project. It draws on research, empathy, intuition and the possibilities of technology to find solutions to complex problems and how to integrate this process in the international business realm. The course will include lectures, onsite guest lectures while abroad, and design projects and hands-on challenges. This course will require students and faculty to work cohesively with international counterparts. Course can be repeated up to 12 hours.

Credits: 3

ICP 350 - INTERMED ICENTER

Students manage and execute a project in a true consultant role for external clients. Projects may involve all phases of the business cycle from planning to oversight to assessment. Projects must meet the intermediate ICenter project criteria established by the ICenter and appropriate Dean(s). Students work under the guidance of a supervising faculty member. Course can be repeated up to 12 hours.

Credits: 3

ICP 351 - INTERMED ICENTER2

Students manage and execute a project in a true consultant role for external clients. Projects may involve all phases of the business cycle from planning to oversight to assessment. Projects must meet the intermediate ICenter project criteria established by the ICenter and appropriate Dean(s). Students work under the guidance of a supervising faculty member. Course can be repeated up to 12 hours.

Credits: 3

ICP 355 - DESIGN STUDIO

DESIGN STUDIO

Credits: 3

ICP 356 - SA INTERNSHIP

Students serve as interns and apply their skills in real-world employment situations or on special projects in an international company or institution. All internships are project-oriented and directly related to their course of study. Internships are served under the sponsorship of a faculty advisor, and students will be required to document the results of their experience. Course can be repeated up to 12 hours.
