

PUBLIC ADMINISTRATION (PADM)

PADM 319 - STRATEGIC PLANNING FOR THE PUBLIC SECTOR

This course provides an opportunity for students to integrate lessons from the disciplines of the program in an experience of organizational strategy and planning. The curriculum will draw on an understanding of business, marketing, communication, persuasion, and project management as students examine the planning process through readings and a series of experiential projects. The class will consider strategic planning processes of visioning, market analysis, capacity assessment, data gathering, dialogue, synthesis and assessment.

Credits: 3

PADM 321 - NONPROFIT SECTOR IN U.S.

History and purpose of nonprofit organizations in the U.S. Scope and legal structure of nonprofit sector. Historical, political, economic, and sociological perspective on nonprofit organizations.
