# SUSTAINABILITY STUDIES, MINOR

Students minoring in Sustainability Studies will explore the complex relations among sustainability, environmental justice, ecology, and social equity in the context of urban and suburban systems, through interdisciplinary courses that integrate the natural sciences, social sciences, and humanities. Courses may be taken on campus and/or online, and provide opportunities for experiential and/or field-based learning.

## Requirements

- Minor requires a total of 18 credit hours.
- Students must achieve a 2.0 minimum GPA in the minor.
- All grades must be C- or higher.
- A minimum of three courses must be taken at RU.
- A minimum of two 300-level courses are required.
